

Dr. Wesley Suggests Town Should Buy A Water Chlorinator

Water Connections Should Be Made With Same
Care As Used By Surgeons Performing Operation

By DR. J. H. WESLEY, M.O.H.

The people of Newmarket have a good water system when we come to think about it. The unfavorable reputation our town water had a few years ago was not altogether deserved, for, up to the time the decayed top was torn off the lower reservoir, and a faulty makeshift covering put on, all samples taken from that old reservoir at regular intervals were invariably reported Class "A" by the provincial health laboratory.

And since we have the immense volume of water coming from the new Cotter St. well, pumped and stored in the upper stand-pipe and the new reservoir, we should have a safe and sufficient supply of water for years to come. In fact we have such unbounded confidence in it that we would be inclined to disbelieve a laboratory report of our town water that was not Class "A."

Of course, this complicated water system has to be safeguarded and carefully managed by intelligent engineers and all other workmen. The town mains and hydrants must be flushed out when the water develops an odor and care must be taken

when new connections are made to a main, when a break occurs, or when a test of the water in the main or reservoir shows that some pollution has gained access to the system.

The men making new connections to the system should do so with the same care and accuracy as the surgeon uses in doing an appendix operation. It is just as easy to get a few colon bacilli in the town water system, as for a careless, dirty milkman to get them in the milk-pail as he sits and pails the cow, and when a few colon bacilli get into a water system, they are likely to increase by the million and be distributed to every domestic water tap in town.

It would not be a bad idea to have a modern chlorinator at hand, ready to use whenever a test of the water falls below Class "A" by the government report. And the government analysis must be absolute.

Otherwise, lack of confidence might upset the whole system. Of late there has been but very little sickness in town. There are not many in the hospital and the town has been free from contagious disease for some weeks.

LANDS SQUARE-TAIL

One of Newmarket's most ardent fishermen, Fred Chantler caught a square-tailed speckled trout, measuring 15 inches, in an East Gwillimbury creek this week. It was the first square-tailed Mr. Chantler ever landed from that stream.

Andrew Murdison was with him.

Town Asks Approval To Purchase Bank Building For Office

Centrally Located Building Would Be Used As
Clerk's Office, Council Unanimous For Plan

The town of Newmarket has accepted an offer of the Imperial Bank to sell its building at the southwest corner of Main and Botsford Sts. for \$9,000, subject to the approval of the Ontario municipal board. The building would be used for a clerk's office and utilities office.

The bank concluded operations on Monday and turned its business over to the Bank of Montreal.

The offer to sell is good until Sept. 15. If the transaction goes through payment is to be made on Sept. 30.

N. L. Mathews, K. C., clerk and solicitor, informed a special town council meeting on Monday evening that the dominion controller of construction had refused permission to erect a new clerk's office on the site of the present office.

The controller wrote that it was government policy to "postpone all avoidable non-war construction" and asked that the project be "deferred until this war has been brought to a successful conclusion." The new building, one storey high, would cost \$8,000 to \$10,000.

Mr. Mathews then told of negotiations with the Imperial Bank since it became known that it would close its Newmarket branch.

He said that the offer included the vault and vault door, counters and partitions. "It wouldn't give us as much room as we had planned, but it would do for several years, and if we needed more room we could use the place formerly occupied by Osborn's or build into the vacant lot at the back," Mr. Mathews said.

"It would be a good investment," said Councillor Wm. Dixon. "Personally, I think we have a better proposition there than in the new building."

"Would you tell us how you would finance the purchase?" asked Mayor Dr. L. W. Dales.

"I would suggest debentures, \$1,800 a year for five years," said Mr. Mathews.

"Would it be necessary to get the permission of the municipal board?" asked Mr. Dixon.

"Oh yes," said Mr. Mathews. "For any capital expenditure we must get permission. There is an amendment now that no expenditure not provided for in the estimates may be made without the permission of the municipal board."

"If the municipal board grants permission to buy the building, would we have to issue debentures?" asked Reeve F. A. Lundy.

"Not necessarily," said Mr. Mathews. "He stated that the money could be borrowed from

the bank and be paid off in a couple of years.

"We might use part of the building as a library and save \$300 a year," suggested Councillor A. D. Evans.

"What would you do with the present office?" asked Dr. Dales.

"A firemen's club," said Mr. Dixon.

"It's too cold," said Mr. Mathews.

"I would clean the corner off and have one decent corner in town," said Councillor Evans.

"Some day we should have an apartment over the fire hall and have a man living there to take night calls," said Dr. Dales.

"The last report from the underwriters called for that," said Mr. Evans.

"Mr. Evans' suggestion about the corner is far-sighted," said Dr. Dales.

"Down at the other place we could probably some day have one heating plant for the bank building and the town hall," said Mr. Lundy.

Councillors A. D. Evans and J. L. Spillette, both particularly interested as members of the water and light committee in obtaining more accommodation for the clerk's office, moved that the town obtain the necessary authority to complete the transaction.

"Is there any competition?" asked Mr. Spillette.

"Yes, there are others interested in the building," said Mr. Mathews.

Councillor Frank Bowser asked that the council be sure the price was right before voting on the question.

The resolution was carried unanimously. Those present were Dr. Dales, Reeve Lundy, and Councillors Evans, Spillette, Dixon, Armstrong, Bowser and A. V. Higginson. Deputy-Reeve Joseph Vale was absent.

The building, one of the oldest on Main St., has three storeys. The second floor is rented as professional offices, and the third floor is rented to the Citizens' band.

Fifty years ago W. W. Playter operated a general store in this building.

PAINT CATCHES FIRE
About \$50 damage resulted when a vat of paint caught fire at the Continental Paint Co. premises, near Main St., about 6 p.m. yesterday. The fire brigade, under Fire Engineer Joseph Brummar, used chemicals and then water to put out the blaze.

ARMY MAKES FUND APPEAL

The Salvation Army will again appeal for funds to carry on its home and war service work, Capt. Fred. Brightwell of the Newmarket corps has announced.

The following committee has been set up: J. O. Little, chairman; Fred. Chantler, R. C. Morrison, K. G. Flett, treasurer; executive, Earle Weddel, Wm. White, R. L. Boag, Alex. Eves and H. M. Gladman.

"Earlier in the year it was known that the government was financing the war work of organizations such as the Y.M.C.A., Canadian Legion, Knights of Columbus and Salvation Army," stated Mr. Little. "While this is quite true, and a statement was made by the Red Cross that there would be no other drive for funds during 1942, yet it was not realized that it failed to take into account the valuable work that is being done by the Salvation Army among our civilian population."

"When this fact was pointed out to the government officials, they quickly recognized the error and granted permission for a nationwide appeal, but the damage had already been done and the Salvation Army is faced with the task of correcting the misunderstanding in the minds of most Canadians."

"The work that the Salvation Army has for the past 60 years carried on in Canada needs no introduction to anyone. The task of giving material and spiritual help to the less fortunate of our citizens from coast to coast is widely known and Canadians will understand the position of 'Sally Ann' and make her task easier with a fine spirit of generosity when this appeal is made in a few weeks time."

All Churches Make Sunday Day Of Prayer, Dedication

MAYOR ASKS EACH CHURCH TO MAKE OB- SERVANCE OF DAY

"Next Sunday will be a day of reconsecration marking entry into the fourth year of the war," Mayor Dr. L. W. Dales told a special council meeting on Monday evening.

"I look it upon myself to ask each church to mark the day in its own building," said Dr. Dales. "The members of the council should go to their own churches rather than go as a group to any one church."

"That is the only way to do it," said Councillor A. D. Evans, and members of the council expressed agreement.

The dominion government is seeking to obtain "the largest possible attendance at the churches" for this Sunday of prayer and dedication. King George VI suggested the observance of this day.

Dr. Dales told the council that he has received a letter from the Canadian Bandmasters' Association expressing appreciation of the hospitality extended them while in Newmarket.

NEWMARKET DOG IS MINESWEEPER MASCOT

An interesting ceremony took place at the home of Mr. and Mrs. Basil Watson, Valcose Kennels, Newmarket, recently, when a Doberman Pinscher puppy, Valcose Shakespear, was christened and presented to Commodore R. Meredith as mascot for the new minesweeper, H.C.M.S. Stratford, which was launched last Saturday.

Seamen Fred Bray and Edward Mosley, of the Royal Canadian Navy, spent Saturday at their homes.

Cpl. Kenneth Blair of Brockville spent the weekend with his parents, Mr. and Mrs. Emmerson Blair.

AC2 Leonard Wrightman of the R.C.A.F. training pool, Toronto, spent Sunday with his parents, Mr. and Mrs. Wm. Wrightman.

Howard Hamilton, youngest son of Mr. and Mrs. Phil Hamilton, has joined the R.C.A.F. and left Wednesday to begin training at Manning pool, Toronto.

Pte. Belfry Hamilton is home from Camp Borden on two weeks furlough.

Word was received by Mrs. George Wright and Mrs. M. Liscomb that their brother, Charles Harrison, is safe and well after the Dieppe raid.

Pte. and Mrs. Harold Pemberton and family of Toronto spent the weekend with Pte. Pemberton's parents, Mr. and Mrs. James Pemberton, and his sister, Mrs. Harry Glenn, and Mr. Glenn.

PARKING IN FRONT OF THEATRE CRITICIZED

While on an inspection visit to the Strand theatre on Tuesday evening, Inspector R. C. Henry, inspector of theatres for the department of motion pictures of the provincial government, requested the management to ask the police department to have signs erected in front of the theatre so that the entrance would not be obstructed by parked vehicles.

Mr. Henry stated that he thought the theatre was in very fine order and congratulated the management on its condition.

Newmarket Lady, 85, Has 12 Great-Grandchildren

MRS. ANNIE OUGH IS
PROUD OF THREE GRAND-
SONS ON ACTIVE SERVICE

"It was the first time they ever fooled me," Mrs. Annie Ough, Concession St., told The Era and Express this week. "I hadn't the slightest idea that they had arranged anything."

Mrs. Ough was 85 years old on Monday and her children, grandchildren and great-grandchildren had a party for her on Sunday at the home of her invalid son, Arthur Ough.

Four of five children were present: John Ough, Kirkland Lake, Mrs. R. A. Helmer, New Liskeard, Arthur Ough, and Mrs. W. B. Selby, Sharon. Leonard Ough, Boston, was not able to attend.

Many other relatives and friends were present on Sunday or sent gifts and messages. There was a birthday cake, with candles and all the trimmings.

Mrs. Ough has 12 great-grandchildren, the children of the following grandchildren: Mrs. Thelma Biggins, New Liskeard, Mrs. Grace Wherry, Rouyn, P.Q., Mrs. Wm. Donaldson, Newmarket, Mrs. Frank Grainger, Richmond Hill, Cameron Ough, Toronto, Leonard Ough, Boston, Mrs. Frank Wilson, Newmarket, and Mrs. Dale Johnson, South Porcupine.

She has three grandsons on active service: Pilot Officer Gordon Ough, of Newmarket, Arthur Ough, of Newmarket, and Roy Ough, of Kirkland Lake, now overseas.

In addition to her own children, grandchildren and great-grandchildren, Mrs. Ough is known as "Grannie" by the twin daughters, Marion and Marguerite, of Mr. and Mrs. Ernest Winter, who occupy part of the same house.

Mrs. Ough has a gift for handling children and getting along with people.

"I have never fallen out with anyone during all my life," she said. "I have always respected my children and they respected me. I have had a good life and a good family."

Mrs. Ough was born in Holland Landing and was married in Newmarket by Rev. John Brown, a Presbyterian minister, on Oct. 3, 1873. Her husband, Albert Ough, farmed at Sharon for many years. They lived in Holland Landing and Sharon and came to Newmarket over 30 years ago. Mr. Ough died in 1918.

P. J. TOD NAMED
Retired manager of the Bank of Montreal, P. J. Tod has been appointed officer in charge of national selective service at Newmarket. Mrs. A. M. Brooks is secretary. Persons and firms seeking help or jobs must do so through this office.

Massey-Harris Combines put on an excellent show at the camp Tuesday evening. It was the second presentation of a new show.

Best decorated dining-room table for floral effect only: N. Williams, D. Rutledge, Ed. Brammer.

Mr. Rutledge won the special prize for the best display of cut flowers by members who have never exhibited before.

THURSDAY, SEPTEMBER 3, 1942

IT'S PATRIOTIC TO BE HEALTHY

School opens next Tuesday. It will be the first day of school for many a five or six-year-old. These youngsters will be handicapped as compared with some of their city cousins who have enjoyed the advantages of kindergarten or nursery schools, but the pre-school school is something that will come with the years.

A more immediate need is a public health nurse, who would work with doctors and teachers to prevent disease and to teach health to children and parents. Newmarket, which a few years ago, when people did not have the means to pay a doctor and often did without one when they should have called one, boasted seven medical men, faces this winter with either three or four doctors. Those doctors will be over-worked and they should have the help of a public health nurse, not to cure disease but to help prevent it.

Only a small outlay would be necessary, and it should prove a good investment, saving the people of Newmarket sickness, lost days, hospital and medical bills, and, of course, not affecting unfavorably the incomes of medical men who will have more work than they can handle.

Newmarket people should have no doubt about the ability of a public health nurse to fit herself into the community, and do a good job, for two reasons, first, the Ontario department of health would recommend the nurse, and second, she would be responsible to Dr. J. H. Wesley, an outstanding medical officer of health, who does a difficult job without fear or favor and who takes the advanced viewpoint that a health officer's duties are to a large extent educational. Newmarket people owe a great deal to Dr. Wesley.

Newmarket is a progressive town, and in this instance could combine progress with economy, self-help with patriotism.

RADICAL ANCESTORS

Speaking at Kirkland Lake, B. E. Leavens, Ontario general secretary for the C.C.F., said that his grandfather had been put in jail for sheltering William Lyon Mackenzie. Another of Canada's "radicals" is actually a grandson of William Lyon Mackenzie.

KEEP THINKING ABOUT IT

There is more reason now than there ever was to do something about Main St. parking. Merchants, limited to one delivery a day, are more anxious to have people come and carry their purchases. People would help the merchants in this way if they could depend on securing a convenient parking place for a few minutes, but in these gas-saving days people are not so likely to bring their cars downtown if they must drive up and down to find a parking-place. They are more likely to ask for delivery and add to the merchants' burdens.

Incidentally, the sidewalks are so crowded with people on Saturday evenings that it is no mean feat to carry your groceries to your car even if it should be within easy reach. Newmarket's sidewalks on Saturday evenings are a popular place for friends to meet and "visit." If the town could secure some of the property on the west side of Main St. between Timothy and Botsford, and open a way through to the market square, and make a park there where people could sit on benches and chat with each other, it would be a great help to retail business. Montreal is delightfully supplied with these little parks where visitors may sit down and rest or just "loaf" if they wish.

WHAT OTHERS THINK

DON'T FORGET THE BOYS OVERSEAS

(Midland Free Press Herald)

It is so easy to assume that someone else is writing letters to our Canadian lads overseas. When too many people do that, however, it simply means that our soldiers, sailors and airmen are forgotten altogether. They quite properly do not like it.

The other day a Canadian airman made this little speech over the radio: "To all the people who have written me letters I say 'Thanks!'—To those who promised and have not written—'SHAME!' and he said it with considerable snap. In these days when mails do not arrive as regularly as formerly the brave boys in khaki are feeling more than a little lonely, and a letter, even from a casual friend, is heartily welcomed. Now that the raiding season has opened in earnest anyone of these gallant defenders of ours may be alive and well today and gone tomorrow. A bright, breezy letter from someone at home will be a godsend and will relieve in part the nervous strain they are under as they wait the word of attack.

Do your bit towards keeping up the morale of our fighting men by writing at least one letter a week to someone or other who is overseas.

THE SALVATION ARMY

(Kirkland Lake Northern News)

With 60 years continuous service as its record the Salvation Army will appeal for help to the Canadian people to carry on its home service activities.

The Salvation Army has made an outstanding contribution not only to Canada but wherever it operates. Entirely apart from its magnificent service to men on the fighting fronts, the Army does a grand job at home—and home is wherever a man in blue and red can offer his services to the needy and distressed.

It should be kept in mind that the Army's

appeal of next month is for funds with which to carry on "home services" and has no connection with its splendid war activities.

There are few people who do not know of the excellent work of the Salvation Army. Regardless of religious denomination the Army stands ready to give aid, support and friendship to the person in need of it.

In the poverty stricken areas of great cities the Salvation Army citadel is a haven of refuge to many, even as the Army man is a tower of strength to the depressed. Where there is poverty, where there is distress, the Salvation Army worker visits and accords not only spiritual but very material help. In many areas where others would not venture the Army worker can be found busily engaged in errands of mercy. The Salvation Army worker goes into the prisons not only to bring a message of hope to those paying the state for some misdemeanor but also to bring substantial help to the men and women in need of rehabilitation. In the courts the Salvation Army probation officer is always available to help an accused person. Of particular value is the help accorded many a juvenile delinquent and through that aid many a juvenile has been put back onto a better path and saved from a life of misery and degradation that disregard of the law always brings.

The Salvation Army needs help—it is worthy of help.

MUNICIPAL CHECKER BOARD REMOVED

(Huntsville Forester)

No longer will municipalities be able to choose between the one and two-year term for municipal councils. The act of 1940, granting the right to vote on a two-year term, has died with the session of 1942, and the old provisions of the Municipal Act will again become operative. Henceforth, municipalities will hold annual elections, and municipal councils will sit for one year only.

The introduction of the amendment two years ago, ostensibly undertaken as a war-time economy measure, failed to arouse popular approval, and while in several municipalities the ratepayers voted for the two-year term, they have since shown no special enthusiasm for the innovation.

There still exists in Ontario—a strong sentiment in favor of a staggered arrangement, whereby half the members of a council would retire each year, thus providing for the two-year tenure of office, without robbing the ratepayers of the right to exercise the prerogative of an annual vote. This method would ensure continuance in council of experienced representatives.

OPPORTUNITY FOR COL. DREW

(Midland Free Press Herald)

Ontario people have given up hope for anything in the way of liquor reform from Premier Mitch Hepburn. He has identified his government too thoroughly with the promotion of the traffic.

Editor Hale of the Orillia Packet and Times believes there is a unique opportunity at the hand of Col. George Drew, leader of the Ontario Conservative party. Says Mr. Hale:

"All that is needed to compel action, either at Ottawa or Toronto or both, is that some strong political voice and influence should join the churches, the press and other organizations that are calling for a curbing of the scandal of the present liquor situation. Col. George Drew can do Canada an even greater service in this respect than the Hong Kong investigation and debate is likely to accomplish. And it will be within his own province as leader of His Majesty's loyal opposition in the Ontario legislature. Unless the Conservative party in Ontario adopts a definite policy on this and other provincial issues it threatens to die of inanition. If an election were to be sprung this fall, its record for the past few years offers no attractive alternative to those large numbers of both Liberals and independents who are dissatisfied with Mr. Hepburn's administration of the affairs of the province.

"It is probably true that public opinion would not now be prepared for total suppression of the liquor traffic for the duration of the war—though we are ready to contend that this worked well in the last war, in spite of the more or less successful efforts of the liquor trade to foster a contrary opinion. But if the beverage rooms are not to be closed altogether, at least the hours of sale might be severely curtailed."

TO HEAD OFF PROHIBITION

(Liverpool [N. S.] Advance)

Considerable interest is being aroused in the province over the move to ration liquor. The Wolfville Acadian says:

There seems to be good reason for the belief that the rationing of alcoholic beverages in Canada may not be so far off after all. The cat was let out of the bag the other day by an Ottawa newspaper when it hinted that unless something of the kind were done the people of this country "including many moderate drinkers" might make a demand upon the government, in view of existing conditions, for prohibition which might become irresistible. It was suggested the way to head off such a movement is to cut down the sale and consumption of intoxicating beverages, which has increased by leaps and bounds in recent years.

That is evidently the sophistry which may be used. The idea is that the drink traffic must be regarded as a friend, rather than the public enemy that it is, has come to dominate our rulers, and through fear of losing revenue prohibition will again be used as a bogey. Not so long ago the big interests that "control" the liquor traffic, and through it the various governments, were using Russian communism in a similar manner. "Whosoever is deceived thereby is not wise."

THRESHING

By Isabel Inglis Colville

Helping a neighbor with a threshing dinner, she suddenly broke out with "I wish you'd write about threshing, I want to send an account of it to my sisters in England, they're so interested in everything Canadian and an English threshing is different."

"How different?" I wanted to know.

"Well," said she with a reminiscent smile, "no dinner or supper is served, the men go home, but a lunch is taken to the fields in mid-morning, and in the afternoon raisin buns the size of saucers, and great pots of tea are taken out."

"So," said I, "that is different," and I glanced round the big kitchen where the table stretched its utmost to accommodate 12, and where every sort of cooking was in progress that those 12 hungry, hot and tired men might find the means to pleasantly satisfy the inner man. As we chatted Mrs. Needler scraped a great cream can full of nice big new potatoes, and I peeled apples, and more apples.

"Come and see if you think I have enough pies," she invited when our current jobs were done, and we had debated anxiously over the amount of sugar for the apple sauce.

So, into the pantry we went, and there, to my wondering eyes was displayed an array of pies which made me gasp. There were pies, apple, pies, caramel, pies, chocolate, pies, lemon, and, she confided, "We'll make more after dinner—raisin and other kinds, so do you think that will be enough?"

"I would think so," said I, "but who am I to judge, they look as if they'd feed a battalion!"

However, we couldn't stand and gaze at pies, however inviting, and so we repaired to the kitchen where I tackled a mammoth cabbage and the house-mother devoted herself to peas.

"Look at that clock," she exclaimed presently. "If you'll slice the tomatoes and cut bread and set the table, I'll make the gravy and get water ready for the men to wash."

So I cut bread and meditated on the ways of threshing, while the lady of the house brought her gravy to a finished product and then repaired to the back porch, where stood a long table. On this she set three big basins, produced soap, towels and water warmed in the sun; then, coming in, said, "They'll soon be here."

Now the tempo quickened, as meat, platters of it, was sliced and space was found for everything, and a noble sight that table looked when crowned with the fruits of the morning and previous day's work.

Bowls of potatoes, platters of meat, dishes of cabbage and peas, plates of sliced tomatoes, pickles, bread, butter and gravy looked appetizing and ready, and presently there was no time for looking.

We were too busy serving tea, for threshers are thirsty folk and water and tea disappeared with startling rapidity.

Mr. Needler was the 13th man of the group, so a place was found for him at a small table—not from superstition but because of space.

It's pleasant and gratifying to see a dinner enjoyed—the empty plates are a compliment, I take it—and then Mrs. Needler and I salvaged our dinner from the wreck and surveyed the scene.

"More pies will have to be made for tonight and tomorrow," quoth she, and just then Huldah appeared. So they washed dishes and prepared apples and I made pies—and pies and PIES! When I left I had three things in mind: I had gained a new experience, I'd had a real visit with my neighbor and I could understand what women meant when they said they were "having the threshers."

The day was a beautiful one and the men came in, not tired out as must be the case when the heat is intense, and it's a pleasure to minister to the needs of those who are, in the words of the prayer-book, "preserving the kindly fruits of the earth."

So ends my experience, and I hope the English readers will feel as if they'd been there.

THERE ARE ONLY A FEW PEOPLE WHO WILL BE INTERESTED IN THIS ADVERTISEMENT

DON'T BE A WELSHER

LET'S be brutally frank. The man or woman who buys a Victory Bond or Certificate to save face, then sells it—except in case of dire necessity—is a welsher.

True, there is no law which says you cannot sell your Victory Bonds or Certificates. It is not a legal obligation that you keep them for the duration. But there is a moral promise to make a loan to your Country for the War period. To evade that undertaking through sale, at this time of great need, is to welsh—it is the denial of an obligation which you admitted and accepted by your act of purchase.

Your Country does not ask you to deny yourself those necessary things which make for decent living, that you may buy Victory Bonds and Certificates. But the voice of Public Opinion does say that those persons who now insist on the unnecessary luxuries of life are not themselves decent.

Of course—you have no immediate cause for worry. No one will ask you to cross the beach and climb the cliffs of Dieppe. You are not in a slit trench with Stuka Dive-Bombers showering death about you. The blazing sun of Africa—the wind-driven sands—will never cut and blister your skin until every exposed part of your body becomes a festering sore. No—you will never feel the vibrant crash of a torpedo

—the tilt of a ship's deck under your feet as it slides to Davey Jones. No one is asking you to leave your favorite chair tonight and fly over Germany. None of these things is asked of you.

All you are asked to do is to lend to your Country—Canada—lend at interest all the money you can possibly spare to provide the tools for those men who are fighting your fight. You are not expected to deprive yourself to the extent that you must live below the level of ordinary decency.

But if you think you are doing your part by buying Victory Bonds only to sell them—then, you had better take yourself into a dark room and ask yourself some soul-searching questions. Ask yourself what you are doing to protect your loved ones, your Country, and your way of life.

If you do this we know what the answer will be. We know because the men and women of Canada are inherently decent people. They value the good opinion and respect of friends and neighbors. But most important is the fact that we Canadians value our own self-respect. We ask charity from none—we assume our obligation to work and lend. So there can only be one answer—you will hold your Victory Bonds and Certificates for the duration except in cases of extreme necessity.

NATIONAL WAR FINANCE COMMITTEE

FARMING'S WAR CONTRIBUTION

During the past two years, the Canadian farmer has increased production of food for vital war requirements. How well he has succeeded may be visualized from the following figures:

Cash income from the sale of farm products during 1941 is placed at \$76 millions—an increase of 18½% over 1940, and the highest since 1929... the bulk of the increase going to Great Britain. This, the Canadian farmer has accomplished despite a very serious shortage of farm help.

The Bank of Toronto is glad to co-operate with those men engaged in agriculture who are making a noteworthy contribution to the Empire's war effort.

FARM FORUM

By MAE HARMAN

A noted American radio speaker, Dr. Dover, said recently that rural life has within it the values necessary for human society but that the weakening of community life is "the peril facing humanity."

"Democracy is more apt to be saved in the cornfield and on the milking stool than on the battlefield and in the trench," he stated.

Although Dr. Dover deplored the increase of corporatism and tenant farming in the United States, he said that of the eight million farms there, four million were still owned and operated by farmers.

He urged rural folk to become aware of their responsibility to society.

In spite of the shortcomings of our educational system, in regard to training for rural life, there are many ways of receiving information on subjects of interest to us as farmers and citizens.

True, short courses, folk and training schools are pretty well out for the duration, but much timely information is provided by newspapers, magazines and the radio.

Books and pamphlets are still available from libraries and college extension services. Farm and study club organizations are eager to provide helpful reading material and study guides.

Once you have organized a study group among a group of interested people, there are three main essentials for its success—study, discussion and action.

One of the finest achievements of farm forums has been the revival by them of good, old-fashioned neighborliness. And while that achievement has been tremendously valuable to the movement and to the people themselves, it is not in itself all-sufficient.

In order to intelligently discuss any question, one must be aware of its background, what caused it, have other people faced the same problem, if so what did they do about it, were their methods effective.

The small discussion group of six or eight people gives everyone a chance to express his opinion. It obtains, in this way, more variety of thought and arrives at more valuable conclusions.

District and provincial meetings of your organization give you the opportunity of hearing the best speakers and of exchanging ideas with people from other parts of the country.

Just as discussion without study and thought is merely "scratching the surface," so discussion without action is lifeless and leads nowhere.

Whether the project be small or large, the joy of working together to achieve something worthwhile is immeasurable. Once the group has decided on a project and studied how to carry it out, their enthusiasm will not die.

Some communities have established libraries, organized buying clubs and promoted joint ownership of farm equipment. In some districts, several groups have joined together to organize co-operative stores, marketing clubs, credit unions, dental and immunization clinics.

Farm people should be ever mindful of their importance to the nation, not only as citizens, but as producers of food. Their value to society depends on their ability to do their work efficiently. It is their duty to become aware of the problems which face them and to earnestly strive to do something constructive about it themselves.

MOVIES PARADE

Filled with all the adventure, color and romance of an uncharted island paradise in the tropics, "South of Tahiti," starring Brian Donlevy and Brod Crawford, plays at the Strand Sunday midnight only.

The exciting melodrama, "South of Tahiti," begins when Donlevy, Crawford and Devine, playing three happy-go-lucky pearl fishermen, drift to an island, when their boats develop motor trouble.

They are forced to leave immediately, but they first plot to steal the pearls which are used by the islanders for tribal sacrifices. Then Donlevy and Miss Montez are seen to fall in love, and she sets fire to the boat to prevent his leaving.

Later, the trio manages to attract a passing ship, but the captain agrees to take them aboard only when he learns of the pearls. But they object when he seizes the girl as hostage, and there is a thrilling climax when she sounds her leopard call and the beasts come from the jungle to the rescue.

On the same program a spot-lighted feature of "Broadway," Universal's new film adaptation of the hit play of the same title, is an exotic tango featuring George Raft and Jeanne Blais. It is executed to the stirring beat of "La Cumparsita."

Raft is noted as one of the foremost dancers of the films, having been previously starred in "Bolero" and "Rumba." In "Broadway," he enacts the role of a night club hooper in "the roaring 20's." He has Pat O'Brien, in the role of "the toughest cop on Broadway," as his costar.

"Eagle Squadron," the first screen story of American fighter pilots in the Royal Air Force, will be the attraction at the Strand theatre starting on Monday afternoon.

Heading a long and imposing cast are Robert Stack and Diana Barrymore, youngest member of America's celebrated "royal family" of stage and screen, who is making her motion picture debut in "Eagle Squadron."

The authentic, behind-the-scenes story of "Eagle Squadron" tells of actual experiences of many American aviators who preceded their own country's entrance into the war by joining the R.A.F.'s Eagle Squadron in October, 1940. Flying their famous Spitfires, the Eagle Squadron since then has written many memorable chapters of the modern war in the clouds.

"Eagle Squadron" brings to the screen for the first time scenes showing the widespread activities of British women in wartime, which include flying transport planes, operating radio directional apparatus and firing anti-aircraft guns. The fabulous British commandos, the daring night raiders who have terrified the enemy, are shown in action in an exciting sequence of "Eagle Squadron."

NATIONAL SELECTIVE SERVICE REGULATIONS

★ EFFECTIVE: SEPTEMBER 1, 1942

★ THOSE AFFECTED

ONE GROUP of regulations (A) applies to all workers, male and female, and their employers, except any persons employed:—

As female domestic servants in homes where there is not more than one servant employed; By a provincial government; As ministers, priests or clergymen; As professional engineers or science workers under the Wartime Bureau of Technical Personnel; In part-time subsidiary employment which is not a regular occupation; In agriculture, hunting, fishing, trapping; As teachers; As nurses and probationers; In casual labour; As students at work after school or on holidays other than long summer vacation.

The other Group (B) applies to all workers.

★ THE REGULATIONS

GROUP (A)

1. No worker may quit his job without giving his employer seven days' notice in writing.
2. No employer may lay-off or discharge any worker without seven days' notice in writing.
3. No employer may interview or engage any worker unless such worker has a permit to seek employment.
4. Permits to seek employment may be obtained from National Selective Service officers in Selective Service offices, formerly the local offices of the Unemployment Insurance Commission.

GROUP (B)

5. A National Selective Service officer has the power:
 - (a) to order any person to report for an interview at the local office;
 - (b) to order any person who has been unemployed seven days to take any suitable work; and
 - (c) to order any partially employed person to take any suitable full-time work.
6. No person ordered by a National Selective Service officer to take a job may quit such job without permission of the officer.
7. When a worker has to travel to a distant job, the National Selective Service officer may pay the cost of transportation and certain other special allowances.
8. If a worker at the request of the National Selective Service officer changes from less to more essential work, he may claim re-instatement in his former job when the more essential work is finished.
9. Any employer, employee or other person who violates any provision of the regulations or any order made under them is liable to a fine not exceeding \$500 or a jail term of not more than 12 months or both.

Note—Agricultural workers may take seasonal or temporary employment outside agriculture with the consent of Selective Service Officers when such work will not interfere with farm production and by taking such work they will not lose their right to postponement of military service.

★ EMPLOYERS

Read the orders-in-council setting up the regulations and the Explanation of National Selective Service Regulations which can be obtained from Selective Service offices.

★ EMPLOYEES

Read the orders-in-council setting up the regulations and the Workers' Handbook which can be obtained from Selective Service offices or offices of trade unions.

This Will Be Holiday Weekend For All Who Have Won Before, Others Must Toil To Outwit the Editor

There were 35 answers sent in for last week's contest but it apparently puzzled the puzzlers, for there were only eight whose answers were all correct. From these eight, Robert Brooks at Patterson's Drug Store drew the names of Mrs. Dan Casey, Newmarket, Miss Ada McKinnon, Newmarket, Marion Rose, 36 Timothy St., Newmarket, Mrs. Dorothy McCann, Newmarket, and Bill Gilroy, Newmarket.

These five winners may pick up their prizes any evening at the Strand theatre and have the choice of seeing Robert Stack, Diana Barrymore and John Loder in "Eagle Squadron," on Tuesday, Sept. 8, or the American Committee on Maternal Welfare's interesting film, "The Birth of a Baby," on Friday, Sept. 11.

The correct answers were: racing, garment, premium, shoe, property, baker, cupboard, date, college, outskirts.

THIS WEEK'S CONTEST

This coming week the contest will be limited to those who have never won before. Other puzzlers are asked to step aside for this week and give five newcomers a chance to win the double passes.

One of the words will be found in the fourth column in a sale advertisement. The rest are in the first three columns. Answers to be in by 9.30 a.m. Tuesday.

The winners will see Dorothy Lamour and Richard Denning in the technicolor picture "Beyond the Blue Horizon," and Brenda Joyce and Bruce Edwards in "Mary, the Boss Daughter," on Tuesday, Sept. 15, or Eleanor Powell and Red Skelton in "Ship Ahoy" and Wm. Gargan and Margaret Lindsay in "A Close Call for Ellery Queen," on Thursday, Sept. 17.

1. Pronounce the "r" and suggest surf and spray; pronounce

French way and suggest possibly "curds and whey." Miss Muffet might help you too. Six letters, 2. Though he pitches and hitches from sun to sun the work of a ----- is never done. 3. Grandfather Clock has none; Grandfather Brown has one. George Eliot was nobody's ----- 4. Timekeeper's keeper. As strong as its weakest link. 5. Sandy MacHines won't be as kindly remembered as George Stephenson, who built the first steam locomotive. 6. Built around a fort. Eleven letters. Possibly suggested by those noble lines: "My love is like a Clydesdale built, For comfort, not for speed, Right loudly at the eventide, She whinnies for her feed." When you have the right word you will find it descriptive of the gentleman mentioned in Samuel Johnson's effort at verse: "I took my hat into my hand, And walked into the Strand, And there I met another man, With his hat in his hand." (You may not have to solve all these word puzzles to "walk into the Strand." If you get six or seven right, send them along.) 7. Those who seek to capture sea lions, sea leopards, sea bears and sea elephants are known as ----- Sometimes they have preserves and sometimes they don't. 8. A "lino" cut is sometimes used in printing. It might be supposed that it was an abbreviation for "linotype." The number of letters would be right, but the word would be wrong. Don't stare at the ceiling to solve this one. 9. "Arable" was a farmer's daughter. Her twin sister was commonly called "Tillie." What was her full name? 10. Golfers shouldn't do it; bakers mustn't. Seven letters.

CLASSIFIEDS CAN BE OF SERVICE TO YOU

SERVING AURORA AND DISTRICT

WITH THE SOLDIERS

Word has been received from overseas that Tpr. Eddie Graham, who went overseas a few months ago, has been selected to take an officer's course and is training for commando work. Eddie served in the last war as a bugler boy, being too young for combat. He was employed by Collis Leather Ltd. before enlisting.

Charles Sweeney, former French master and director of athletics at St. Andrew's college, graduated as a lieutenant in the Royal Canadian Navy at Victoria, B.C., last week. Mr. Sweeney was a member of the last graduating class from the centre before it was taken over as a naval training college for younger boys. Mr. Sweeney coached Aurora juniors two winters ago.

Frank Canning, formerly C.N.R. foreman for the district, has enlisted with the engineers and is stationed at Toronto.

LAC Frank Hill of the R.C.A.F. Toronto, spent the weekend at his home.

Pte. Frank Heaney of the R.C.A.S.C., Newmarket camp, spent the weekend at his home.

Major E. D. Gilbert of the R.C.O.C., Longue Pointe, P.Q., returned to duty on Sunday after spending his furlough with his family. Major and Mrs. Gilbert spent some days at Manitoulin Island.

Pte. George "Nip" Armstrong, son of Mr. and Mrs. Frank Armstrong, King, and a graduate of Aurora high school, was among Canadian troops reaching England last week.

Hershel Hawman, King City barber, has closed his shop and joined the R.C.A.F.

Case's Aces, by virtue of two mammoth home runs by outfielder Ray Lloyd, eliminated the Queen's Yorks from the race for the Aurora town league title by a 6-3 score last Friday night.

It was a well-played fixture, with Case's Aces dominating the game. The reserve army boys their chance to tie the series. Morley Cook and Wes. Perry hooked up in a neat pitching duel with honors about even, although Cook pitched himself twice out of holes. Yorks lost their big chance in the first frame when they filled the sacks but were unable to count.

LAC Frank Michalik of the R.C.A.F., Toronto, spent Saturday in town.

Victor Lane, son of Mr. and Mrs. Jack Lane, has been promoted to the rank of lance-corporal. Vic, who is stationed at Simcoe, spent the weekend in town.

LAC Douglas Egan of the R.C.A.F., Camp Borden, spent the weekend at his home.

Willard Graham, eldest son of Mr. and Mrs. Thomas Graham, has joined the army service corps and is stationed at Toronto. His brother, Sgt. George Graham, is overseas.

Sgt. Keith Southwood of the R.C.A.F. is now stationed at Debert camp, N.S.

Adjutant of an R.A.F. station in Scotland is Flying Officer A. H. C. Bruce, Toronto barrister, who has been on duty with the air force since 1910. F.O. Bruce was born in Aurora, his family living on Catharine Ave., and later moving to Toronto.

Capt. N. F. Johnson of the army service corps, Camp Borden, spent the weekend at his home.

Pte. Wm. Foster of the R.C.A.S.C., Camp Borden, spent the weekend at his home.

Col. R. G. Timmis, who is on convoy duty, spent the weekend at his home.

William Gray, who resigned from the staff of Bradford high school to go on active service, is now stationed at Newmarket camp as a private.

Home on ten-day leave are Edward Bailey, James Jones and Thos. Rank, the three Aurora boys who are serving with the Volunteer overseas fire brigade at Ottawa. The three men look like picture of health and are enthusiastic over the training they are receiving.

C.S.M. David Walker, R.C.A.M.C., Petawawa, spent last Thursday with his parents, Mr. and Mrs. J. B. Walker.

Jack Foskett, who managed his father's implement branch here for some months, is now stationed at Debert camp, N.S.

Sgt. Perry King is now stationed in the north of Ireland.

Tpr. Alan Ferguson of the tank corps, Camp Borden, spent the weekend with his parents, Mr. and Mrs. Malcolm Ferguson.

Both Pugsley and Crowder were members of the high school basketball squad.

The School of Science, University of Toronto, will find Harold Oliver and Fred Pugsley enrolled, while Alan Crowley of King is also slated to take a science course. Oliver is a member of the Aurora boys' band, while for two years Pugsley was employed by J. F. E. Topping and by a Toronto drug store.

Both Pugsley and Crowder were members of the high school basketball squad.

The bride, given in marriage by her father, wore a frock of twinkling blue crepe with corsage of pink roses. She was attended by Miss Marion Dike, wearing blue and white figured silk and corsage of roses. Mr. Ken Mitchell was groomsmen.

Little Dianne Lock was flower girl in a frock of heavily smocked pale yellow crepe. The bride's mother received the guests wearing doff blue crepe with a corsage of red roses. She was assisted by the groom's mother, who wore a navy crepe redingote dress with corsage of red roses.

The bride chose a smart soft wool suit in teal blue with brown accessories and roses for traveling.

WITH THE CHURCHES

The Parochial Guild of Trinity Anglican church met last week at the home of the president, Miss Eva Lemon, when plans for the year's activities were laid.

The W.M.S. of St. Andrew's Presbyterian church met this afternoon at the home of Miss C. Malloy. Goals were received for the bala being packed for the mission field.

Pastor C. W. Leach of Hardington Gospel church took the services last Sunday at Aurora Gospel Tabernacle. Special music was provided by Toronto musicians.

KING RESIDENT, JOHN CAIRNS DIES AT 88

The death occurred on Tuesday evening of John Cairns of King City, one of King township's best known residents.

He was born on the third concession of King near Eversley on April 23, 1854, and with the exception of four years when he worked as a carpenter, farmed until retirement at the age of 80. He saw the taxes on his 200-acre farm rise from \$35 to \$230. Mr. Cairns' family are long-lived. A brother, Thomas Cairns of Aurora, is now 82 years of age.

In February, 1891, Mr. Cairns married Lucy Andrews, who survives him. This year the couple celebrated their 51st wedding anniversary. He attended Eversley public school as a boy and was a member of King United church.

A son, James, is now on the family homestead and a daughter, Miss Lena, resides at home.

The funeral service was held this afternoon from his late residence and at King cemetery with Rev. J. H. Anderson, Rev. Douglas Davis of Stouffville and Rev. R. H. Halbert of Newtonbrook, three of Mr. Cairns' close friends, in charge.

Farmers Eliminate Militia 6-3 In Softball Play-off

Case's Aces, by virtue of two mammoth home runs by outfielder Ray Lloyd, eliminated the Queen's Yorks from the race for the Aurora town league title by a 6-3 score last Friday night.

It was a well-played fixture, with Case's Aces dominating the game. The reserve army boys their chance to tie the series. Morley Cook and Wes. Perry hooked up in a neat pitching duel with honors about even, although Cook pitched himself twice out of holes. Yorks lost their big chance in the first frame when they filled the sacks but were unable to count.

LAC Frank Michalik of the R.C.A.F., Toronto, spent Saturday in town.

Victor Lane, son of Mr. and Mrs. Jack Lane, has been promoted to the rank of lance-corporal. Vic, who is stationed at Simcoe, spent the weekend in town.

Pte. Fred Waites of the R.C.A.S.C., Camp Borden, spent the weekend with his mother, Mrs. George Waites.

LAC Douglas Egan of the R.C.A.F., Camp Borden, spent the weekend at his home.

Willard Graham, eldest son of Mr. and Mrs. Thomas Graham, has joined the army service corps and is stationed at Toronto. His brother, Sgt. George Graham, is overseas.

Sgt. Keith Southwood of the R.C.A.F. is now stationed at Debert camp, N.S.

Adjutant of an R.A.F. station in Scotland is Flying Officer A. H. C. Bruce, Toronto barrister, who has been on duty with the air force since 1910. F.O. Bruce was born in Aurora, his family living on Catharine Ave., and later moving to Toronto.

Capt. N. F. Johnson of the army service corps, Camp Borden, spent the weekend at his home.

Pte. Wm. Foster of the R.C.A.S.C., Camp Borden, spent the weekend at his home.

Col. R. G. Timmis, who is on convoy duty, spent the weekend at his home.

William Gray, who resigned from the staff of Bradford high school to go on active service, is now stationed at Newmarket camp as a private.

Home on ten-day leave are Edward Bailey, James Jones and Thos. Rank, the three Aurora boys who are serving with the Volunteer overseas fire brigade at Ottawa. The three men look like picture of health and are enthusiastic over the training they are receiving.

C.S.M. David Walker, R.C.A.M.C., Petawawa, spent last Thursday with his parents, Mr. and Mrs. J. B. Walker.

Jack Foskett, who managed his father's implement branch here for some months, is now stationed at Debert camp, N.S.

Sgt. Perry King is now stationed in the north of Ireland.

Tpr. Alan Ferguson of the tank corps, Camp Borden, spent the weekend with his parents, Mr. and Mrs. Malcolm Ferguson.

Both Pugsley and Crowder were members of the high school basketball squad.

HAS RECOVERED

Rifleman Norman Elmer, who has been overseas the past two years, recently celebrated his birthday while in the army. He was recently injured slightly in manoeuvres but has now recovered.

Teachers Prepared To Teach Defence Course

The Aurora public school will open for the fall term on Tuesday, Sept. 8. Only one change in the staff has occurred since last year, Miss Mildred Everton of Gifford replacing Miss Constance Willis, who has accepted an appointment in Hamilton this fall.

The present staff consists of Principal J. H. Knowles, Delroy Babcock, Donald Webster, Misses Isabel Hayes, Helen Baynton, Patricia Brown, Ruth Henderson, Genevieve Robinson and Illyd Harris as director of music.

The newcomers to the school this year will number 29, all six years old. Principal McDonald will enter upon his 33rd year as principal of the local school in December.

RAIN WELCOMED BY MANY YORK FARMERS

Last night's rain will no doubt facilitate the preparation of more land for fall wheat, Agricultural Representative W. M. Cockburn stated today. Indications in many parts of the country were that this year's acreage would be only 50 percent of last. Still more rain would have been welcome in many parts.

Farmers are being advised by the department of agriculture not to sow their wheat till at least the second week of September to miss the Hessian Fly, which lays its eggs on the early sown crops. According to Mr. Cockburn, the pest caused a great deal of damage in York county last year, causing the straw to double over just above the first joint from the ground, allowing the heads to drop to the ground, so they are missed in harvesting.

Chilcote recall with pride the fact that so many "old aunts" are serving again. Overseas are Sapper Percy Lloyd with the Engineers, the first Aurora veteran to go on active service, Pte. Arthur Snyers, R.C.O.C., former secretary of the Aurora War Veterans Association, Troop 10, Edie Graham, and C.S.M. Howard Hulme, who won a commission in the last war. In Canada with the Veterans' Guard are Ptes. Jos. Smith and William Bull, the latter being seriously ill in hospital.

At Newmarket camp is Pte. Thos. Smith. Cpl. Jack Maaten, past president of the Aurora Veterans, is with the forestry corps at Ottawa. Major C. R. Boulding is medical officer at Stanley Barracks, Toronto, and Capt. N. F. Johnson is on the instructional cadre of the armored corps at Camp Borden. At Borden, too, is Cpl. Clifford Corbett of the postal corps, a former secretary of the Aurora vets. The Era and Express will be pleased to have the names of others on active service.

The bride, given in marriage by her father, wore a frock of twinkling blue crepe with corsage of pink roses. She was attended by Miss Marion Dike, wearing blue and white figured silk and corsage of roses. Mr. Ken Mitchell was groomsmen.

HOUSE CEREMONY IS PRETTY EVENT

A profusion of gladioli and brilliant fall blooms graced the home of Pte. Guy Williamson, of the Veterans' Guard, and Mrs. Williamson, at Mount Albert, when their daughter, Barbara Jane, was married to Bruce Davidson, son of Mrs. Charles W. Davidson, formerly of Mount Albert, and the late Mr. Davidson. Rev. Robt. V. Wilson of Orangeville officiated.

The bride, given in marriage by her father, wore a frock of twinkling blue crepe with corsage of pink roses. She was attended by Miss Marion Dike, wearing blue and white figured silk and corsage of roses. Mr. Ken Mitchell was groomsmen.

Little Dianne Lock was flower girl in a frock of heavily smocked pale yellow crepe. The bride's mother received the guests wearing doff blue crepe with a corsage of red roses. She was assisted by the groom's mother, who wore a navy crepe redingote dress with corsage of red roses.

IS ELECTED PRESIDENT

J. R. Herrington of Richmond Hill has been elected president of the Ontario Division Court Clerks' Association.

MOVE EASTWARD

Four Aurora boys, Ptes. Bert. Tunney, Floyd Yake, and Verdun and Donald Sutton, have been transferred from the Pacific coast to Sussex, N.B. None of the men stopped off at their homes on the way east. The past few months they have been taking commando training. At St. John, N.B., the battalion staged a parade witnessed by over 10,000 people.

BURGLAR TAKES TOOLS USED IN WAR INDUSTRY

Employees of Factory Equipment Ltd. discovered on Friday morning that entrance had been gained to the plant through a window and a quantity of tools stolen.

It was not until Sunday when John Offord, superintendent of the plant, returned from his holidays that the extent of the loss was determined.

Tools which Mr. Offord had assembled for his own personal use throughout the years were stolen, including micrometers, calipers and valuable tools used in war work.

Chief Constable Fisher Dunham is investigating.

PITCHERS' DUEL ENDS IN TIE AT BRAMPTON

An exhibition softball game at Brampton last week resulted in a one-all tie between the teams of Bramford and Newmarket basic training camps after ten innings of play.

The game resolved itself into a pitchers' duel between Venner, of Bramford, and Brown, of Newmarket, both pitchers giving a masterful exhibition.

- 2 Contain just enough natural "bulk" in the form of bran—help prevent constipation due to lack of bulk.
- 3 Supply useful quantities of iron and phosphorus—minerals your body needs.

Post's Bran Flakes are equally delicious and effective as a cereal or in bran muffins. Muffin recipe on Regular Size and Giant Economy Size package.

DOWN THE CENTRE

The navy gets a hand this week for deciding to enter a rugby team in the O.R.F.U. With fewer men than the other services, the tars, nevertheless, have plenty on the athletic ball. Their softball team will represent Toronto in the international tournament at Detroit and in the sandlot baseball tournament they produced a pretty fair hardball team, good enough to take Newmarket camp at least.

In hockey, H.M.C.S. York tied Sutton Greenshirts one game and lost the round by two goals, which was about as close as anyone got to the champions last season. Bigger and better things are in store for the sailors this year in a hockey way and it is pretty well decided they will be entered in the senior O.H.A.

Bill Wilson, the former Aurora junior and a Newmarket boy who has been in the navy for some months, is now permanently placed in a responsible position in the mess hall and so will definitely be available for hockey this year. Bill, who has played for Young Rangers, South Porcupine, Hollinger and other teams since Aurora days, has been one of the biggest snipers in the north country and will be able to hold his own with the best.

Pete Donkin, the chunky speed-boy with Aurora in C championship days, and Tigers too, later with Etobicoke and Stockyards, has joined the navy and is at Toronto. Pete had a chance last year to play with Eddie Shore in minor pro but turned it down. When in the mood there are very few who can catch Pete on the ice either afoot or with a body check.

Jack Curtis, a stand-out defenceman for Aurora in B company and plenty good enough for any company, is also in the silent service and slated for hockey action, too.

Jack is a very easy boy to handle. Mickey Smith is still in Toronto but not likely to be there when the hockey season opens. "Mr. Eves" has become a great booster of the navy ball teams and if it hadn't been so late in the season when he signed up might have been playing for them. As it is, "Smitty" is driving a station wagon to most of the games and sitting on the bench with the boys.

Arnold Tomlinson, former Newmarket Redman and Sutton soft-baller, is a naval policeman and keeping the boys in line now at the exhibition grounds. Nearest to water any of the lads have come yet is via a rowboat.

Eddie Mosley, the cyclist, was in town on Saturday and in his white uniform trimmed with blue was quite an eye for the girls. The youthful Eddie is not yet 18, is enthused over his work and says the food and treatment in the navy are all that could be desired. He sleeps in a bunk but Mickey Smith is reclining at nights now in a sailor's hammock.

Bob Benville writes from the Pacific coast to say he is enjoying good health. "I expect to be on my feet in a few days and may possibly get a few days sick leave some time in September," he writes. The service senior cross-country team composed of navy, army and air force players are leading the play-offs in Victoria and have a fair chance to win western honors. "Nibs" Chambers, former Fergus and Owen Sound senior player, is Bob's roommate and one of the stars of the team. George Urquhart, formerly of St. Kitt's, who was a member of the Garden City juniors in 1934 when they eliminated Aurora juniors, is also a sailor. From the army and the Mimico Mountaineers come such stars as Jack Williams, Archie Dixon, Tony Worsencroft and Fat James, erstwhile captain of Aurora junior hockeyists and Bradford gutted-stick artist.

It is hard to keep track of the boys in our naval institute, as the drafts pick them up so suddenly. Sort of here today and at sea tomorrow," pens our old friend Robert in closing his epistle. "I still enjoy your column. Keep up the good work."

Charlie Sweeney, former head man in athletics at St. Andrew's and who briefly had an unsuccessful whirl at coaching Aurora juniors, is also at the coast with the navy but will be assigned to duty elsewhere soon, as he has just received his commission. They used to laugh at the Canadian navy but day by day our sailors are winning the respect of the whole world.

Charlie Smith, who is riding at Stamford Park and will be around at all the tracks, displayed some fine sportsmanship and rare presence of mind last week. C.W. was astride Lynalta, one of the favorites in a certain race and right up with the leaders, when youthful Chris, Rogers, a kid rider, went down with his steed directly in front of Smith. The Aurora lad saved Rogers from serious injury and incidentally ruined his own chances of winning by pulling up and veering to the rail the fast travelling Lynalta. He would have been justified under the rules of the game in riding through. So his gesture is worth a note on any sports page.

Charlie Scott, the Willowdale lad who played for Aurora and Etobicoke juniors and last year for Markham intermediates, is with the R.C.A.F. at Toronto. Big George a few years back, when with Marlborough juniors and headed for bigger things, suffered a bad head injury. He played useful hockey afterwards in B and intermediate but never regained his best form. If George had not tried to gang with the forwards and subsequently been forced to scoop at the puck in place of meeting the puckcarrier, Aurora would have eliminated Waterloo two years ago.

"Buck" Wilson, former Aurora softballer and an executive of the Aurora hockey club, now engaged in war work in Toronto, volunteered for active service with the army a few weeks back but was turned down. He is still able to pick the nags with the best of them and for results the Wilsonian system is as good as any we know.

Jim O'Halloran of Newmarket, who was at camp with the Yorks and caught several of the softball games, has signed up with the R.C.O.C. and reports to Brockville this week.

Mervyn Broughton, now fully recovered from his hockey injury, has been trying to get in the navy but has not had much luck yet. He will probably follow O'Halloran to Brockville shortly if he doesn't hear from H.M.C.S. York.

Crawford Lytle, 12-year-old summer resident of Jackson's Point, sank a hole-in-one on the about 110-yard seventh hole in the company of young Mike Shepherd the other day. It was the first of the season at the Briars club and Crawford is the envy of all the big fellows around the clubhouse these days.

Earl Cook, the Stouffville boy, continues to attract attention with his fine work at Beaumont, Texas, and while he has not been so lucky yet, he is likely to get another chance with Detroit Tigers. It is said of Earl that pre-game jitters has caused him to have his ups and downs and prevented him going places before now. So perhaps Steve O'Neil has been able to do what Ike Boone, Dan Howley, Del Baker, Al Vincent and other managers weren't able to do. With draft calls coming in more every day, Cook's age will not be a barrier to big league aspirations now.

Cecil Brown, the Newmarket Camp ace hurler, continues to mow 'em down and has his Blackie team from the Wanless league in the thick of Toronto playdowns. Bob Davidson of Maple Leafs and Jack Babcock, the former Aurora junior lacrosse player, are both interested in the same team and Bob handles the team from the bench.

Marj McCormack of Newmarket wound up the season in third place in the Sunnyside senior girls' loop,

which is pretty good for the first year in big-time. Last year she was leading hitter in intermediate company. Another of her two veteran softballers, Marie Taggart, was first with 436, Ben Tuckey, was second with 410, while Marj hit slightly over 400. Her team is still in the play-offs but not favored to take the title.

Jimmy Coffell, who played with Milton juniors last year, finished second in the Niagara camp 440-yard event two weeks ago, behind Forbes of the Queen's Yorks.

Coffell is with the Lorne Scots. Problem of the week is how many ways can a batter in baseball reach first base without hitting the ball? It shouldn't take more than two or three minutes. Personally, we can think of at least four ways. If you can think of more than that drop us a line. Next week we'll publish the answer.

Chatham camp, after losing their first game of the season to Etobicoke, have again struck their stride and chalked up three more wins. One was over the leading Windsor team while two were over the St. Thomas R.C.A.F., who are reputed to be champions of the air force. The games with the air force boys were won at home and away by scores of 3-2 and 6-3 respectively. The Chatham record now reads 16 wins and one loss.

Red Jennett, who hails from Thornton and will be remembered by Aurora and Newmarket fans as a perennial member of the Barrie juniors, has joined the R.C.A.F. Last year he played hockey for Mike Rodden at Belleville. "Pub" Urry, the Barrie softball catcher of two years ago, is also on active service. He is with the army at Camp Borden.

Harry Couse, the ace softball hurler, was in town a few days ago, with a convalescent leave, looking the picture of health. Harry managed to get in a few words with yours truly and says he has been too busy to get in much softball. He sends regards to all and was interested to learn how many former York-Simcoe softballers were on active service.

Vida Gowland, who performed a few years back with Markham, Unionville and Stouffville softballers, was one girl we overlooked a few months back when commenting on girl softballers. Miss Gowland, a big husky lass, was one of the best we ever remember and could make any all-star team. She also performed at Sunnyside and was a star at track and field. She was a smart fielder and could powder the ball from any position. At present she is doing some mighty fine work for the forces of law and order as a member of the women's division of the Toronto police force.

Bob Moodie popped in the other day to say if gasoline could be secured to make it possible, King City hockeyists, who won a rural title, would be ready for more action. Bob has been doing little but dream about hockey in his spare moments this summer and has a fair team lined up on paper.

Ronnie Rowe, the ace Markham hockeyist, who is playing soccer this year for the first time, has moved up from juvenile to senior for Toronto Eastlands and is one of the stars of the circuit. Don Hamilton, the Aurora goalie, is still playing for the juvenile team. Rowe is headed for Oshawa Generals this year and should have no difficulty catching a place, no matter whom he has to compete with.

Del Beaumont definitely will be lined up with Marlboroughs in junior this season and is likely to receive a trial with the Maple Leafs when they start their training a few weeks hence. Del has been farming all summer and is in grand shape. He will be a cinch for junior A this season.

Anty Baker, who for some years has been staying in the back of the juniors and last year was a member of the good Markham intermediate team, has joined the R.C.A.F. He also helped coach the Markham juniors. In civilian life he was a printer's devil and a member of the staff of the Markham Sun-Economist, as well as doing some sports writing for that paper. He was one of the pickers of our group junior all-stars this season.

Bob Bangay, for years headman in the local junior hockey club, has joined the army and to complete the picture Bob Lawrie has joined up with the sky warriors. That trio ranked about the best marksmen in junior hockey two years ago when they took the junior title. Last year it was the same thing, and so in wartime as in peace the trio will be together. However, it is not likely they will be together very long at one station, as they are on different courses.

Doug McLeod, who played for Markham juniors last year and before that with Kingsway juniors, has joined the navy. He is the lad who unfortunately clipped Merv. Broughton last year. A forward by experience, he pinched a goal on the Generals' defence last year he received all-star rating.

"Skipper" Northcote is reported to be in the army now, tho' we have not confirmed it definitely. "Tad" said he got an army call but remember, he played junior hockey last year, which doesn't jibe, or does it?

Jackie Callas, the storm centre of the junior series last year, who kept goal for Markham and De Havilland too, is now in the army. He hails from Penetanguishene. He was good enough to jinx Aurora last year.

"Nick" Bangay waits a call from Earl at Beaumont school. If not in service he will be with Marlboroughs for a certainty next season. Nick was equally good at defence or up on the forward line and had plenty of the old noxie.

Jackie Watson, who has just turned 18, will likely enter the University of Toronto this fall and take an engineering course. The lad who has been pitching softball and driving a truck all summer has ideas about ignoring the Generals' defence last year he received all-star rating.

Adolph is a good student but, like most boys, if he doesn't continue a bit longer with his studies will likely bid the textbooks adieu for ever. It should be remembered that come peacetime

Mrs. Stephenson of Toronto is visiting her brothers, Mr. W. Marchant and Mr. E. Marchant for a few weeks.

Mr. and Mrs. Frank Burnett and daughter of Richmond Hill visited Mr. and Mrs. E. Aitchison on Sunday.

Mr. and Mrs. A. Mitchell were at Bolton on Saturday attending the funeral of Mrs. Ed. Davis. Mrs. Wm. Rennie and Mrs. L. Rogers spent Friday with Mrs. Wm. McKinley.

Mr. and Mrs. E. Jordan of Hamilton spent the weekend with Mr. and Mrs. H. Wood.

Mrs. Fred Cook spent Sunday evening with Mrs. W. McKinley and daughter.

Mr. and Mrs. W. L. McGowan called on Mr. and Mrs. G. Hulse Sunday evening.

Mr. Ed. Abbott, who has been at Sudbury for the summer months, has returned home to resume his studies and took the service on Sunday in the absence of his father.

Rev. Mr. McEwen has returned home after the loss of his wife. He resumed his duties on Sunday.

COMBINE HOLSTEIN SHOW WITH MARKHAM FAIR

The York County Holstein club is making final arrangements for their annual Black and White show, which will be held on the Friday of the Markham Fair. It is expected that there will be a large exhibit. With no C.N.E. this year, it is expected that even greater interest will be taken in the show, which brought 206 entries last year.

With health regulations that permit only animals from herds fully negative to the blood test, this show leads the rest of the province, and through a well-organized committee making use of catalogues of entries and a public address system, exhibitors and spectators are kept informed of winnings and events in the ring.

Holstein breeders should apply at once to R. H. Crosby, Markham, secretary of the fair, for prize lists, or write to E. F. Ramsay, Sharon, secretary of the Holstein club. President Archie Cameron of Woodbridge has called a meeting of his directors at Richmond Hill for today to discuss final details.

We are going to need a lot of professional men to meet with conditions in Canada. His father, Ken. Watson, who is one of the backers of the Markham junior team, last year enlisted four or five days after he had turned 18. So it is pretty hard for Dad to lay down rules that are hard and fast. H. Lawrie, Ralph Parkinson and George Scott are other members of the year's Markham intermediates who are on active service.

Bruce Foote, who in the early 30's was an ace wingman with Aurora juniors as they battled the Newmarket Redmen unsuccessfully, is now working in Toronto with the T.T.C. The other day he turned up at third base with one of the finalists in the T.T.C. softball finals. From his picture he hasn't changed very much.

Howard Hamilton, a star for Newmarket juniors in their comeback in hockey a few years ago and one of the leading young Romeos of the district, reported for service with the R.C.A.F. today. Howard looked to have a real future in hockey a few years back but unfortunately had his career cut short by the age limit. We wondered that Sutton didn't use him last season.

Pete Billman, who has tended the hockey cage with in-and-out luck for both Aurora and Newmarket juniors, reports on Sept. 8 to Galt aircraft, where he is busy to be a ground crew member. Pete, who always had great team spirit, put in his application at the close of the hockey season but has just received his call.

"Nibs" Salgie, Aurora softballer who might have been a star goalie if he had tried hard enough, completed his R.C.A.F. medical exams this week and expects to don the grey-blue uniform in a short time. Salgie has played his best softball this season.

Gar Preston, ex-Newmarket Redman and Aurora boy, who played hockey in Riverdale, N.J., last year, will likely land with the newly formed Buffalo senior O.H.A. team or perhaps around St. Kitt's. Riverdale has folded up this year, as has Atlantic City, due to the fact that the arenas which housed the two teams have been commandeered by the U.S. military authorities. Quite a few of the boys who played amateur in the States last year will not be able to get across the line and again many have received their call. Those who remain available will have little trouble finding a spot this season.

"Joint" McComb and his steel car buddies who annexed the Mount Albert tournament under the banner of Zephyr, have been ousted from further competition in the defence league softball circuit. McComb is slated to play senior and defence league hockey this season.

Of the Aurora Tigers who played together in 39-40 the following are on active service: goalies, Joe Tunney and Joe McGhee; defencemen, Jack Curtis and George Scott; forwards, Harry Pearce, Grant Cook, Frank Michanuk, Pete Donkin, Dave Murray, Gordy Farling and Jimmy Lewis. Gord. Brennan has been rejected. McComb and Cummings are engaged in war work, while "Popper" Martin is at University but expecting to receive a commission as soon as his studies are over. Bert Tunney, Howard Morton, Doc Boulding, of the executive, are in action, too, as is goal judge Ace Yake. That's a real record for any one team to shoot at. More power to them.

VIVIAN

Miss Margaret Peterson underwent an appendix operation at York County hospital a week ago Sunday. She is improving.

Irene Boden had charge of the Young People's meeting. Lloyd Grose brought the message and chose as his text, "I must be about my Father's business," Luke 2:49.

The young people held a corn roast at the home of Mr. and Mrs. Wm. Hood on Saturday evening. The evening was spent in playing games and music.

At the close of the social time, the president of the Young People's presented Pte. and Mrs. Raymond Needer with an electric toaster on behalf of the group.

Bram. Reed brought the message at the Sunday evening church service and spoke from the text, "My punishment is more than I can bear," Gen. 4:13.

A lovely solo was sung by Miss Eva Deans, accompanied by Miss Peggy Rowan at the piano.

Present at the service was Miss P. Taylor of the Upper Canada Tract Society, who spoke briefly of the work done among the soldiers and sailors.

KETTLEBY

Mr. and Mrs. Geo. Cambourne spent Sunday with Mr. and Mrs. S. J. Hencock.

Mr. Dan Stevens has returned home to Toronto after spending a month with Mr. and Mrs. E. S. Williams.

The W.A. of Kettleby United church were hostesses to the Ladies of Pottageville, Glenville and Snowball Aids at a union meeting on Friday afternoon.

Miss Aikenhead and Mrs. Belyca of Toronto were guest speakers. Mrs. F. Davis is visiting relatives at Dundalk.

About 30 relatives and friends of Mrs. E. Geer held a party in her honor at her home on her 81st birthday on Sunday.

Mr. and Mrs. Poyntz of Schomberg called on Mr. and Mrs. Wm. Wilson on Sunday evening.

Mr. Alan Pender has returned home after spending several weeks with Mr. and Mrs. Frank Beatty.

Miss Helen Hencock of Schomberg is spending a few days with Mr. and Mrs. Harry Stephenson.

Miss Eunice Murray has been spending some holidays in Newmarket.

There is no charge for printing pictures in The Era and Express.

AURORA AGENCY

A BIG \$5-WORTH

Invest \$5 and receive immediately a guaranteed contract which will: 1. Pay off your mortgage, or 2. Educate your children, or 3. Provide a monthly income for your wife in case anything happened to you, or 4. Help to build up a cash reserve to provide a retirement income for yourself. Under this plan you give twelve post-dated \$5 cheques—one for each month. No need to remember your monthly payments—your cheques are deposited by us when due. It would be hard to imagine a life assurance plan easier, simpler and more profitable for you than this one. For details send the coupon.

NOTE THESE IMPORTANT FACTS

ABOUT YOUR

NEW RATION BOOK

... to Save Yourself Trouble

The new Ration Books No. 1, now being distributed, do NOT become valid and must not be used until Monday, September 7th, 1942. They will be good for the six months period commencing September 7th.

DATES ON WHICH TEA, COFFEE AND SUGAR COUPONS BECOME VALID

COUPONS NOS. 1 and 2: are valid September 7th, 1942 and thereafter
COUPONS NOS. 3 and 4: are valid October 5th, 1942 and thereafter
COUPONS NOS. 5 and 6: are valid November 2nd, 1942 and thereafter
COUPONS NOS. 7 and 8: are valid November 30th, 1942 and thereafter
COUPONS NOS. 9 and 10: are valid December 28th, 1942 and thereafter
COUPONS NOS. 11 and 12: are valid January 25th, 1943 and thereafter
COUPON NO. 13: is valid February 22nd, 1943 and thereafter

Each coupon is good for a two weeks' ration, and two coupons may be used at a time to buy a supply for four weeks.

• **SUGAR COUPONS:** The red coupons, imprinted with the word 'Sugar'—the first page of coupons in the book—are the only ones to be used for sugar, and they are to be used for sugar only. Each coupon is good for a two weeks' ration; that is, one pound of sugar.

• **TEA AND COFFEE COUPONS:** The green coupons — the second page of coupons in the book—although marked 'Spare A'—are to be used for tea and/or coffee. Each coupon is good for a two weeks' ration of either tea OR coffee; that is, two ounces of tea OR eight ounces of coffee. Only the green coupons can be used for tea or coffee.

• **OTHER COUPONS:** There are three other series of coupons in the book, namely 'Spare B', 'Spare C', and 'Spare D'. No use for these coupons has been designated. Do not detach these coupons from your book.

DO NOT USE DETACHABLE POSTCARD NOW

The detachable return postcard at the back of the new Ration Book is intended for use when applying for your Ration Book No. 2. If this postcard is lost or used improperly, there may be complications and delays when the time comes to get the next book. DO NOT USE THE DETACHABLE POSTCARD UNTIL YOU ARE ADVISED TO DO SO.

You must write your name and address in ink in the space provided at the top of each sheet of coupons—and you must write the serial number of your book in the space provided on the stub at the side of each sheet of coupons.

All coupons must be detached in the presence of the storekeeper. It is illegal for him to accept loose coupons.

Penalties are provided for improper use of Ration Books.

The inside front cover of your Ration Book shows the location of your nearest Ration office. Your enquiries should be addressed to that office. Always give serial number of your Ration Book when writing.

RAVENSHOE

Aug. 27.-Rev. Gordon Lapp
delivered a fine message at
Ravenshoe United church on
Sunday afternoon. His subject
was, "Take Wings."
The service is now being held
at the regular hour, 2.15 p.m.
It was Rev. Mr. Lapp's last service
before vacation.
Miss Evelyn King spent a week
recently at "Mountain Lake."
Farmers are busy with the
harvest, drawing in, and some
are stook threshing. It has been
good harvest weather.
The monthly supper was a fine
success. A good crowd enjoyed
the supper and the program
following.
Many from the neighborhood
attended the corn roast at Pine
Beach last Saturday evening.

UNION STREET

The Union Street Women's In-
stitute is holding a corn and
weiner roast at the home of Mr.
and Mrs. Thos. Swanson on Mon-
day evening, Sept. 7.
Mr. James Walker of Toronto
spent a few days visiting friends
in the community recently.
Mr. Wm. Rhindress of Castles-
ton was calling on friends over
the weekend.

MOUNT ALBERT BROTHER IS KILLED IN RAID AT DIEPPE

Capt. Charles T. Robertson, son of Mrs. George Robertson, Toronto, was killed in the raid at Dieppe, according to word received by Mrs. Robertson. Capt. Robertson is a brother of W. S. Robertson of the C.N.R. at Mount Albert and Nick Robertson of the C.N.R. at Sutton.

Capt. Robertson enlisted with the Royal Canadian Army Medical Corps in 1940, going to England as a lieutenant and later receiving his promotion to captain. He was recently given command of a company.

Born in Whitby 30 years ago, Capt. Robertson attended Jarvis Collegiate in Toronto and the University of Toronto. He graduated in medicine in 1939 and joined the staff of the East general hospital. He was a former wrestling champion at the university and took an active part in boxing and soccer.

Just prior to the Dieppe raid, Capt. Robertson wrote his family that he was looking forward to a leave which he planned to spend with his brother, Dr. George Robertson, Liverpool, England.

MOUNT ALBERT W. I. REALIZES \$29.90 IN NAVY LEAGUE TAG

The annual flower show last week had 20 exhibitors and Mrs. Hall had the largest number of entries. The ladies netted \$73 on the flower vase and the booth realized \$12.85. Considering it was late in the season for many flowers, the exhibit was very good. Results will be found on page seven.

Mrs. Guy Williamson entertained a number of friends on Friday evening on the eve of her daughter's, Miss Barbara Williamson's, wedding.

The Women's Institute held a tag day on Saturday in aid of the Navy League and realized the sum of \$29.90.

The Horner families attended a shower for Miss Helen Cronsberry on Saturday evening.

Mr. and Mrs. Reuben Yates, Mr. and Mrs. Freddie Flake and Miss Menken of Buffalo were at Port Bolster last week. Mr. and Mrs. James Galbraith spent the week with them.

Miss Julia Madill had relatives from Toronto and Leaskdale visiting her on Monday.

Mr. Meyers and Benson spent several days last week at Scotia Junction.

The regular monthly meeting of the Zephyr Women's Institute was held at the home of Mrs. Dewey Graham on Wednesday, Aug. 19. It was well attended, 66 being present.

A collection was taken to help fill ditty bags and \$10 was realized. The minutes of the last meeting and other business were passed. Those wishing a cup of tea at the next Institute meeting are to bring their own tea, the members decided. Current events were given by Miss Thelma Meyers.

The girls of the community then took charge of the program, with Miss Mona Armstrong as convener. They chose as their topic "Trees." A reading on "Trees" was given by Miss Helen Smith and an instrumental was given by Miss Daisy Graham.

The story of the life of Alfred Joyce Kilmer was read by Dorothy Curly and a poem was given by Miss Marian McNeley.

Misses Laura and Reta Horner rendered a piano duet. Miss Mildred Cain read a poem and a talk on the fibre in wood was given by Miss Reta Horner.

Betty Armstrong delighted the audience with a piano solo and Miss Nettie Burnham gave a reading on "Trees, the whole world's life."

The meeting closed with God Save the King and a social half hour followed.

to get a package of mints from the machine. If he received a number he was entitled to that number of free games. The officer went on to say that there were no packages of mints in the machine.

"I operated the machine 25 times, putting in 25 nickels and received certain combinations," stated Constable Wallace. "When the number four lit up, I called the waiter and told him I was going to quit."

He smiled, and touched the side of the machine. The number four went out and he gave me four nickels. I returned a couple of hours later with Constable Watt and seized the machine under the authority of a search warrant."

"Is there any means whereby the operator can exert his skill?" asked the crown.

"No," replied the witness. "It is operated entirely by chance."

When called to the stand Mr. Wong told his worship the custom of playing the machine but that they never got anything out of it. He denied giving anyone authority to pay off on the machine.

"If in operating the machine there is no pay-off prize, then the machine is legal," stated the crown, Mr. Matthews. "But in this particular case the manner in which the machine was used was illegal and therefore he is guilty of keeping a gaming-house. Then there is this, why would a person play it if there was no reward?"

Declaring that the machine was one "that can be gamed on," Magistrate McIlveen fined Mr. Wong \$100 and costs of \$12.75 or two months in jail. He also ordered the machine and the money found in it confiscated.

Appearing in the witness-box again to give evidence in the case of Lee King, proprietor of the restaurant known as Dan's Cafe, Constable Wallace testified that he had entered the premises at about 3.45 p.m. on Aug. 1, and after purchasing refreshments proceeded to play the machine at the rear of the restaurant. He stated that it was similar to that exhibited in the previous case. He spent ten cents in the machine, operating it four times and receiving the number six. When he told the waitress that he was not going to play any more she pressed the button at the side of the machine and gave him 30 cents. The officer added that later he turned with Constable Watt and made a seizure of the machine.

Ruling that the machine was illegal, Magistrate McIlveen fined Mr. King \$100 and costs of \$12.75 or two months in jail. In addition, he ordered that the machine and contents be confiscated.

"I believe the officer but I am going to give you the benefit of the doubt," Magistrate McIlveen told W. B. Bate, Toronto, when he dismissed a charge of speeding.

Pleading not guilty to the charge, Mr. Bate told his worship that he was a member of the Ontario Safety League and had been driving many years and in many countries without having broken a traffic law.

In reply to the defendant's queries on the timing device used by Constable Watt, his worship stated: "The department declared that the trap is legal and authentic. It is foolproof."

When Constable Alex. McCallum of North Gwillimbury failed to appear to give evidence in the charge of speeding against Wm. Prager, Toronto, his worship adjourned the case until next week.

Constable Watt informed Magistrate McIlveen that Constable McCallum had received his second call to the army and had had to report for service the day before.

He is the first York county police officer to be called into service.

POLICE COURT NO LICENSE TO DRIVE, HAS SERIOUS ACCIDENT

"You have been guilty of real dangerous driving," Magistrate W. N. Robinson admonished Samuel Bedard, 18, 560 Landsdowne Ave., Toronto, whom he found guilty of a charge of dangerous driving, in Newmarket police court on Friday.

"You did not take the trouble to watch the road," said the magistrate. "Any person who is not intoxicated or under the influence of a drug would know that this is a very dangerous road."

You had not much farther to go before the car would have toppled into the ravine and everyone of the occupants been killed."

According to Constable Robert Windsor of Whitechurch township, he had arrived at the scene of the accident, on the lake road near Musselman's Lake, at about 12.35 a.m. on July 26, about 15 minutes after the accident had taken place.

He found a badly damaged car leaning against a cedar tree at the side of the road, the travelling portion of which was 14 feet wide. The officer stated that there were two other boys and three girls in the car, nearly all of whom were injured.

"The accused admitted that he had been driving the car and that he had rented it from a service station in Toronto," further testified Constable Windsor. "I took him into custody but as he was bleeding too much to put him into the lock-up I took him to St. Michael's hospital."

Asked by Crown Attorney N. L. Mathews, K.C., if there were any marks on the road, the officer stated that 86 feet from the tree there was a mark on the road where the car skidded. He added that the right front tire on the car was flat, a condition which was caused when the bumper became bent and ran through the tire.

"Was there anything to indicate that the tire had been punctured or blown out before the accident?" asked the crown. The witness replied that there was nothing to indicate that.

"In your opinion what would have caused the accident?" asked the crown. The witness replied that the car was travelling at a high rate of speed.

"One girl was thrown out the door through a fence. She was in hospital for a month."

"Did the accused give at the time any explanation of the accident?" the crown further questioned the witness.

"He said that he was travelling fast and that his speedometer was broken," was the reply.

In his defence Mr. Bedard told his worship that he had been travelling at a speed of between 25 and 30 miles an hour and as he approached a bend the headlights of an approaching car blinded him.

"I didn't make the turn sharp enough," he stated. The defendant denied having had anything to drink and upon cross-examination by the crown admitted that he had been driving for six months and had never had an operator's license. He also admitted having previously been employed as a truck driver, having told his employer that he had a license to drive.

"You were out driving without an operator's license, never having taken a test," his worship told Mr. Bedard, "and you have been running wild on the highway. In fact, you deceived your employer by telling him you had a license to drive a truck. There is nothing whatever in the evidence to commend you. I am going to fine you \$50 and costs or three months in jail. You haven't a driver's permit, so I can't cancel it but I can and will prohibit you from driving any vehicle in Canada for a period of one year."

Finding Thomas Turan, 31, Newmarket, guilty of stealing raspberries from a patch on the property of Basil Watson, Gorham St., Newmarket, Magistrate Robinson placed him on suspended sentence for one year and forbade him to go into Mr. Watson's patch again.

Mr. Turan must report to police once a month during the year.

In his evidence, Mr. Watson told his worship that he had rented a farm on Gorham St. on which there was a three-quarter acre patch of raspberry bushes. He stated that the patch was 200 feet from the house and that on Aug. 3 he came across the defendant picking raspberries into a six-quart basket. He stated that he lost about \$15 worth of raspberries during the season due to some person or persons stealing them.

KESWICK PRAY FOR SAFETY OF MISSING KESWICK BOY

Keswick beach cottagers enjoyed a weiner, corn and marshmallow roast at the beach park on Saturday evening, with a sing-song to wind up a happy evening.

Mr. and Mrs. Elmer Peters celebrated their 20th wedding anniversary by a weekend visit with friends in Toronto.

Mrs. Lunn very ably took charge of the Christian church service on Sunday morning owing to the illness of the pastor, Rev. Mr. Serrick. Her specially arranged program included special prayers for the safety of one of the church members, Alan Anderson, son of Mr. and Mrs. Chas. Anderson, who has been overseas for some time, and has been reported missing since the Dieppe raid.

Rev. and Mrs. Serrick, who have both been on the sick list, are improving. Rev. Mr. Serrick's sister, Mrs. Kirkland, of Weston, and two sons, are spending a few days at the Serrick home.

Miss Helen Smith spent a few days in Toronto last week. Miss Margaret Peel is vacationing at her home here.

Mr. Bond and daughter, Miss Elma Bond, who have been spending the summer at Keswick beach, are leaving this week for their home in Guelph.

Mrs. Thos. Purdy has sold her home here to Mr. Pollard and will leave shortly to make her home with her daughter, Mrs. A. Morton, in Toronto. Mrs. Morton has been here with her brother for the summer.

Miss Patricia Manning, B.A., of the Kenora high school staff, is spending a week with Miss Dorothy White.

A cordial invitation is extended by the W.M.S. of Keswick United church to all women interested in the work of the society, to be present at the opening meeting for the autumn on Thursday, Sept. 10, at 2.30 o'clock, in the Sunday-school room of the church. A shower for the Victor Home, Toronto, will be the chief item of interest.

IS WED AT HOME OF GRANDPARENTS

The home of Mr. and Mrs. David B. Pegg, Mount Albert, was beautifully decorated for the wedding of their only grandchild, Veda Ruth Bain, and only daughter of Mrs. J. A. Bain, Hamilton, and David James Taylor, youngest son of Mr. and Mrs. Roy Taylor, Zephyr, on Saturday evening, Aug. 28.

Rev. J. S. Ferguson, Zephyr, officiated.

The bride, given in marriage by her grandfather, was dressed in a floor-length imported silk jersey, being accordinately pleated from the high waistline. Her halo and fingertip veil were of pale pink to match the gown.

She wore the groom's gift, a gold cut-work bracelet, and chose for her flowers Joanna Hill roses and bouvardia. She was assisted by Blanch Evans of Toronto as bridesmaid, who wore long blue net over satin and chose Tallisman roses for her flowers. She wore the groom's gift, a gold ring, set with her birthstone.

The groom's brother, Pte. Geo. Taylor, of Camp Borden, was groomsman.

Miss Muriel Pegg, cousin of the bride, played the wedding music. She wore a floor-length gown of rose satin. Miss Edna Pegg, also a cousin, sang "O Perfect Love," and wore a floor-length blue silk net over satin. They both wore the groom's gifts, dress ornaments.

The bride's mother received, wearing an imported sheer wool of pale blue and a corsage of American beauty roses. She was assisted by the groom's mother, dressed in navy sheer and wearing a corsage of roses.

The bride's grandmother wore an embroidered dress of sheer crepe, while the groom's grandmother chose black and white. They both wore matching accessories and shoulder corsages.

A reception was held in the dining-room, where over 50 guests partook of a lovely buffet lunch. The table was beautifully decorated with pink candles and pink and white bows and streamers.

For the wedding trip through the north country, the bride wore a blue tailored suit with matching accessories and her mother's corsage.

On their return they will reside in Toronto.
